Aurora at Home Hospice

3600 SECONDS! That is the amount of time needed a week this coming holiday season. As little as one hour to visit a hospice patient who may not be able to see family during the holidays. You may be the only person that sees them to make them smile. How rewarding is that? Our patients are looking for caring hearts to visit for companionship, veterans to share stories, massage therapy and pet therapy for the comfort, music lovers to soothe the soul or media experts to record a life story (we have the audio equipment).

BEAMING Inc.

Looking for the perfect Christmas gift to your community, or do you want to make a New Year's resolution that makes a difference? Consider being a horse handler, side walker, helping with special events and *Change Lives One Ride at a Time*. Whether you want to horse around even if you have no experience, we will train you. This is the gift that will keep on giving during this holiday season and beyond. We have many opportunities at the farm to serve the needs of our organization that are not with the horses that can encompass your whole family.

CASA of the Fox Cities

We are seeking a group to set up our Holiday Gift Shop during business hours on Friday, December 9th. Volunteers will pick up donated items from one location and unload them at our location (1500 N. Help will then be needed to set up "the shop" so advocates can select the right gifts for their CASA kiddos. Ideal for a group of 6-10. On Monday, December 12th, a group of 4 people could assist with gift wrapping during our holiday event from 4:30 – 7:30 p.m. Great for corporate groups!

Jake's Network of Hope

Make the holidays brighter for individuals struggling to afford basic needs. We work with more than 150 nonprofits in Northeast Wisconsin, all who provide items to people in need. During the holidays, this will include many opportunities for charitable holiday gift giving. We need help sorting inventory in our Hope Hub, our resource center where all partners can visit and source items for those they serve. As a volunteer, you will help us sort goods to meet the needs and interests of individuals unable to otherwise afford a gift under the tree. Some sorting will also include our basic core hygiene products, such as diapers, period products and Adult Care Essentials - providing these hygiene items to individuals in need means they can better afford other basic necessities. Help make a memorable holiday for someone in need, at Jake's!
